Westminster by the Numbers

When Westminster says that our mission is to Love God, Make Friends, and Serve Others, we mean it. And YOU mean it!
Here's the story of what God did through us in 2019:

Love God

Discipleship is the foundation of our mission statement. God invites us to go deeper in our relationship with him every single day, and so part of Westminster's goal is to offer a discipleship pathway for everyone to take one more step towards God.

Make Friends

We're not in this alone!
God invites us into a relationship with others as a part of our spiritual journey, and so Westminster offers opportunities throughout the year to develop faith-enhancing friendships.

Serve Others

God wants to save the world, and he's using us to do so. Because we have been blessed, Westminster is committed to being a blessing to our community and the world.
